

CIPP/E

Certified Information Privacy Professional/Europe

European Privacy Online Training

Program Highlights

Certified Information Privacy Professional/ Europe (CIPP/E) certification is developed by the International Association of Privacy Professionals (IAPP). This certification is intended for the professionals to enhance their knowledge and establish them as an expert in data protection. The training covers the concepts of data privacy and data protection, European data protection laws and regulations, 99 articles of GDPR regulation, and more. The CIPP/E certification recognises and demonstrates your knowledge in the various parts of the Information Privacy by analyzing your skills .

Target Audience

- ✓ Data Protection Officer
- ✓ Data Protection Lawyers
- ✓ Records Managers
- ✓ Legal Compliance Officers
- ✓ Human Resource Officers
- ✓ Information Officers
- ✓ Professionals using, processing and maintaining personal data

About Course

The CIPP/E training from InfosecTrain helps you to learn the basics of data privacy and European data protection. It covers all the essential elements to understand and implement the data protection laws and regulations. Achieving a CIPP/E credential demonstrates that you possess the in-depth GDPR knowledge, perspective, and understanding that is necessary to assure compliance and the success of data protection in Europe—as well as to take advantage of the professional opportunities that this comprehensive legislation affords.

Pre-Requisites

A fundamental understanding of the data privacy, GDPR, and data protection legal requirements.

Exam Information

Exam Format	Multiple Choice and Scenario-based
Number of Questions	90 questions out of which 75 questions are scored
Exam Duration	150 minutes
Passing Score	300 out of 500
Language	English, French, and German

Course Content

✓ **Chapter 1: Data protection laws**

Introduces key European data protection laws and regulatory bodies, describing the evolution toward a harmonised legislative framework.

✓ **Chapter 2: Personal data**

Defines and differentiates between types of data as defined by the GDPR, including personal, anonymous, pseudonymous and special categories.

✓ **Chapter 3: Controllers and processors**

Describes the roles and relationships of controllers and processors as defined by the GDPR.

✓ **Chapter 4: Processing personal data**

Defines data processing and GDPR processing principles, explains the application of the GDPR and outlines the legal grounds for processing personal data.

✓ **Chapter 5: Data subject rights**

Describes data subject rights, applications of rights, and controller and processor obligations as set out in the GDPR.

✓ **Chapter 6: Information provision obligations**

Explains controller obligations for providing information about data processing activities to data subjects and supervisory authorities as set out in the GDPR.

✓ **Chapter 7: International data transfers**

Outlines options and obligations under the GDPR for transferring data outside the European Economic Area, including adequacy decisions and appropriate safeguards and derogations.

✓ **Chapter 8: Compliance considerations**

Discusses the applications of European data protection laws, legal bases and compliance requirements for processing personal data in practice, including employers processing employee data, surveillance, direct marketing, and internet technology and communications.

✓ **Chapter 9: Security of processing**

Discusses considerations and duties of controllers and processors for ensuring security of personal data and GDPR specifications for providing notification of data breaches.

✓ **Chapter 10: Accountability**

Investigates accountability requirements, including data protection management systems, data protection impact assessments, data protection policies and the role of the data protection officer.

✓ **Chapter 11: Supervision and enforcement**

Describes the role, powers and procedures of supervisory authorities; the composition and tasks of the European Data Protection Board; the role of the European Data Protection Supervisor; and remedies, liabilities and penalties for noncompliance as set out in the GDPR.
